* **VGM** : **Verified Gross Mass**

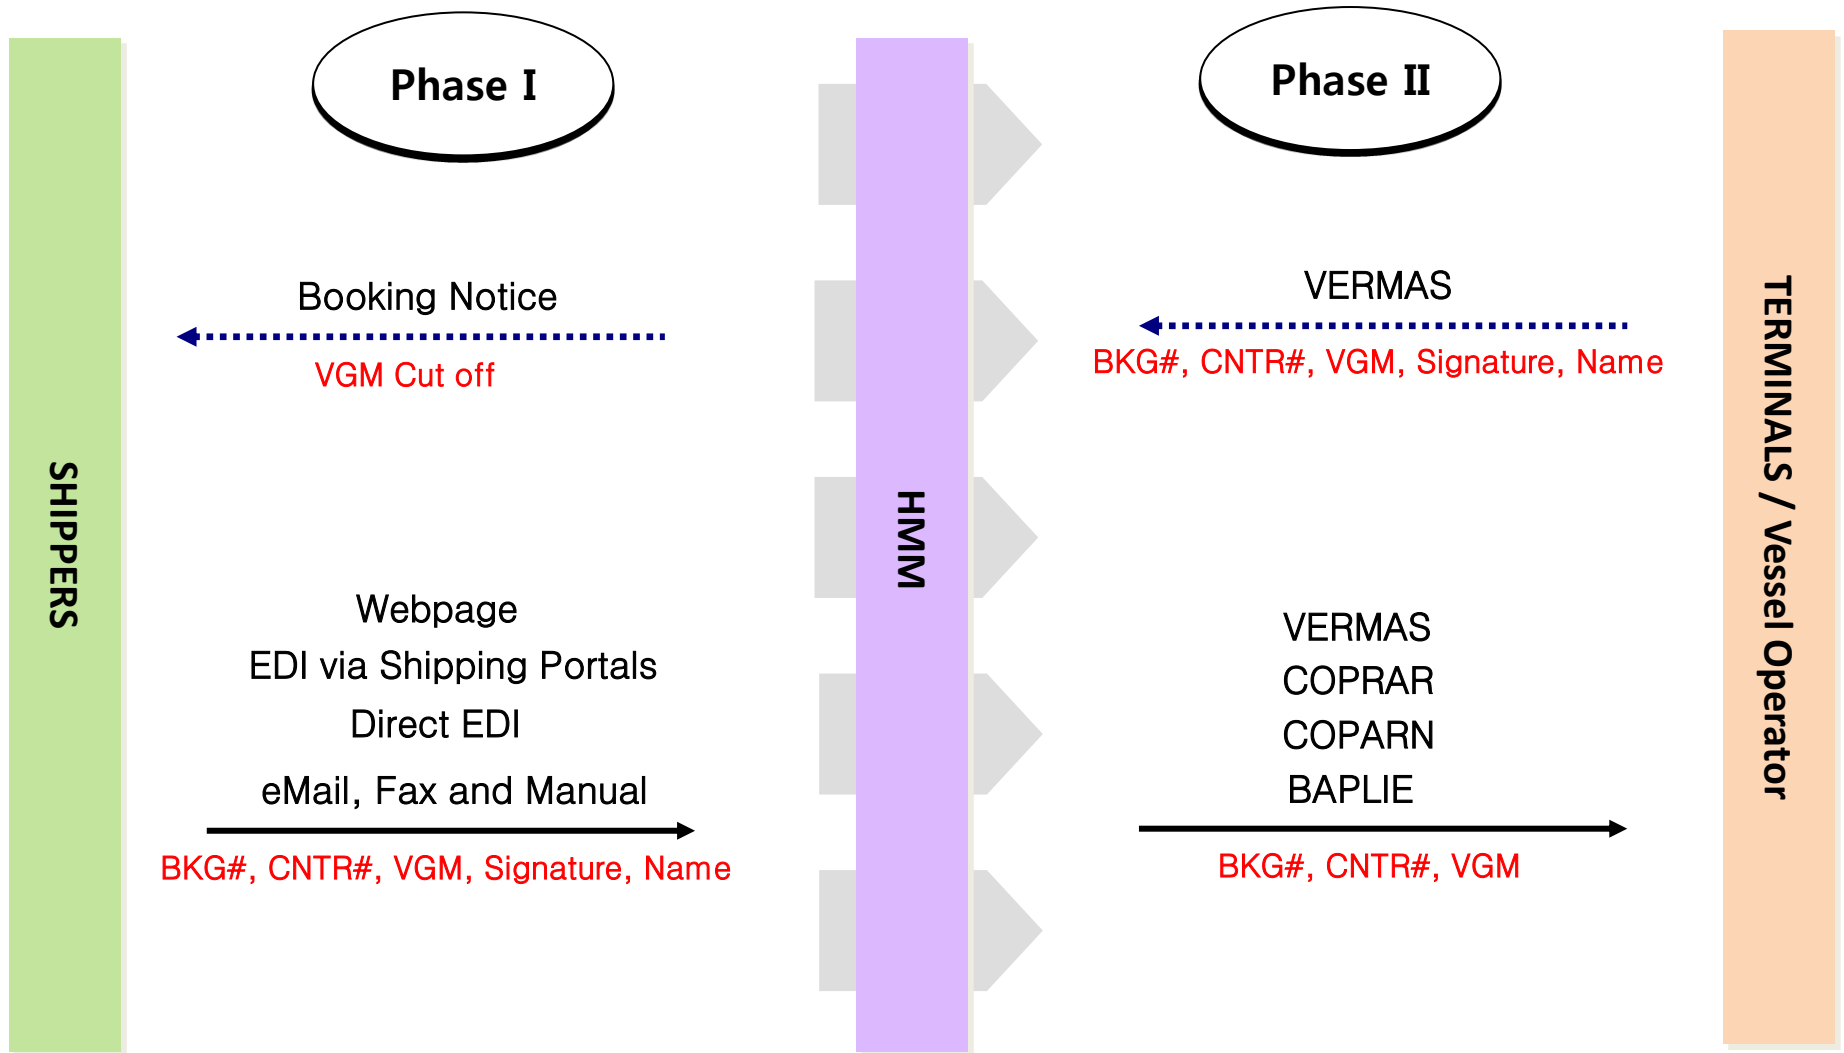

II. Outline for HMM VGM

HMM comply with “No VGM No Load” regulation by IMO

- ✓ Here is the brief explanation for HMM VGM.
- ✓ HMM VGM has been proceeded by two tracks, one of which is INPUT for shipper and another is OUTPUT for Terminal and others.
- ✓ For INPUT by Shipper, system environment composed of WEB and GAUS has been set and ready to go now.
- ✓ There will need to be via Webpage, EDI and email/fax in order for shippers to submit VGM to HMM.
- ✓ Next two pages contains all shippers such needs on a case by case basis.
- ✓ Following pages after the next pages demonstrate the methods available and internal processes for Shippers to transmit or tender the required VGM information to HMM.

III. HMM VGM Process (Overall)

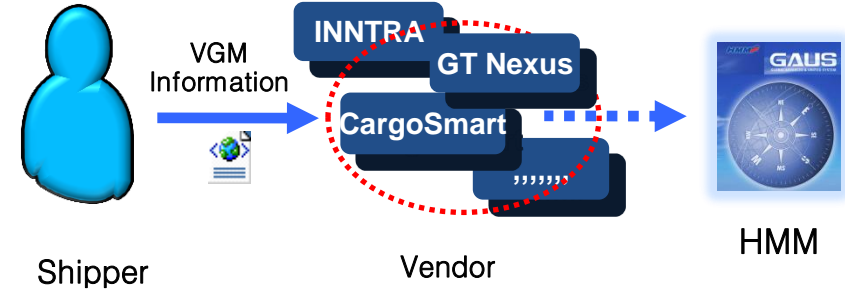

III. HMM VGM Process (Detailed)

Shipper must submit VGM to HMM

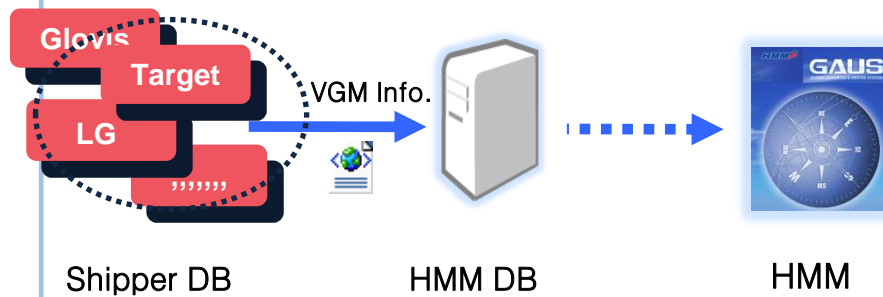

Case 1 (WEB)

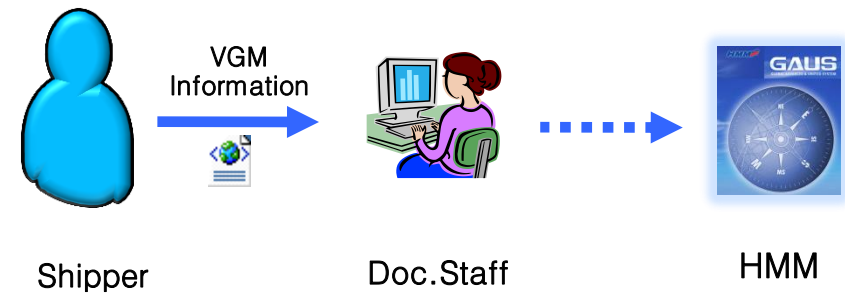

Case 2 (EDI Vendor)

Case 3 (Direct EDI)

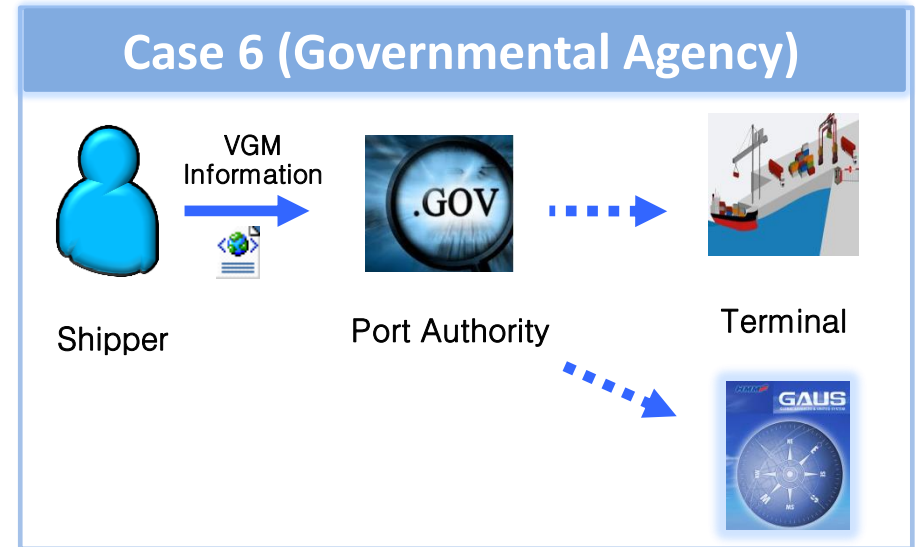

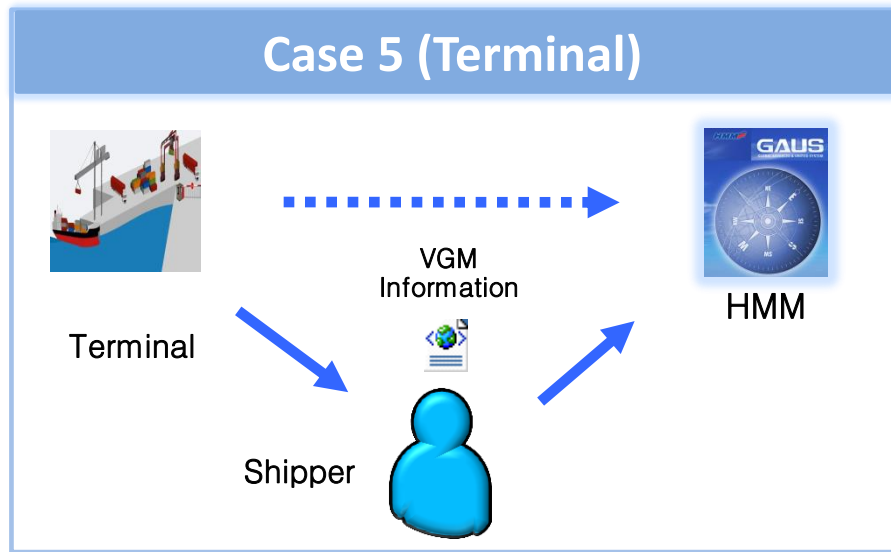

Case 4 (eMail , Fax, Manual)

- ✓ Case 1 and 3 are our preferable option
- ✓ Case 4 is least favourable option
- ✓ Case 5 and 6 are the option we can't help choosing

III. HMM VGM Process (Detailed)

Shipper must submit VGM to HMM

- ✓ Case 1 and 3 are our preferable option
- ✓ Case 4 is least favourable option
- ✓ Case 5 and 6 are the option we can't help choosing

2

VGM by Booking Number

VGM input or update screen showing details, which are container number, vgm, unit, authorized signature and etc.,

Notice!

We, HMM have two kinds of VGM Entries (WEB SCREENS).

First is that shipper have to provide tare weight to complete VGM

Second is that carrier can automatically provide tare weight to complete VGM

Each nation can choose one of them for its local shipper.

Default setting is except for Europe 'Second'.

But you can change as requesting to H/Q Global CS team according to your situation.

9

VGM Input without Login

Shipper can submit VGM to HMM through webpage without login process, which is applied to Europe first as trial version.

- ① Trucker and warehouse man and any persons who was delegated from shipper can use the function, 'VGM without Login' to enter VGM with Booking # and PIN # described on regional Booking Notice.

IV. Webpage for VGM (CASE 1)

9

VGM Input without Login

Shipper can submit VGM with Booking Number to HMM.

VGM without Login

> VGM by Booking Number

The screenshot shows the 'VGM without Login' interface. It consists of two main sections, both titled '> VGM by Booking Number'. The first section has a 'Booking Number' field containing 'NSNS444293' and a 'Create/Update VGM' button. The second section has three fields: 'Booking Number' (same value), 'VGM PIN Number' containing '478469', and 'E-mail Address' containing 'pravin.navale@emulines.biz'. Below these fields are 'Submit' and 'Cancel' buttons. Red circles with numbers 1 through 4 highlight the Booking Number field, the 'Create/Update VGM' button, the VGM PIN Number field, and the E-mail Address field respectively. A dark blue callout box with a red arrow pointing to the PIN field contains the text: 'It won't be shown until 1 August for the preparation on booking Notice.'

- ① For VGM input or update by using booking number that determines container list to be filled.
- ② Button to input or update VGM by booking number.
- ③ PIN# displayed on Booking Notice should be entered.
Therefore if you want your shipper to use 'VGM Entry without Login', your local Booking Note should have PIN Number. To do so, please contact your local IT and have them put PIN# on Booking Note.
- ④ Any persons delegated by shipper can overwrite email addresss they want to receive to. as default value is email address from the Booking

IV. Webpage for VGM (CASE 1)
